

FAMILIES & FRIENDS,

We are excited to introduce our new offering allowing you to receive community information via any mobile device of your choice. Through our partnership with Connected Living we will continue to offer innovative technology solutions designed to help our families and friends stay better connected with our community, from any location. The Connected Living Community / Baptist Health Mobile App provides a secure place for families to have a window into daily routines as well as engagement of their loved one.

The Connected Living app provides effortless peace of mind

custom family circles

allows community to share real time photos with you

automatic

push notifications and alerts

view **calendars, menus** and more

a **private** social network to share photos and thoughts

Staying “**Connected**” has never been easier.

Download the **FREE** mobile app now from the App Store or Google Play by searching for **Connected Living Community**.

Simply input the following **community codes** during the setup process to connect directly with your community.

Community Codes:

BHSM - for menus, events and photos

BHS - for important community updates

For more information, visit app.connectedliving.com

For questions regarding the app, please don't hesitate to contact the Connected Living Center at:

1-800-223-5080

Sincerely, The Baptist Health Team

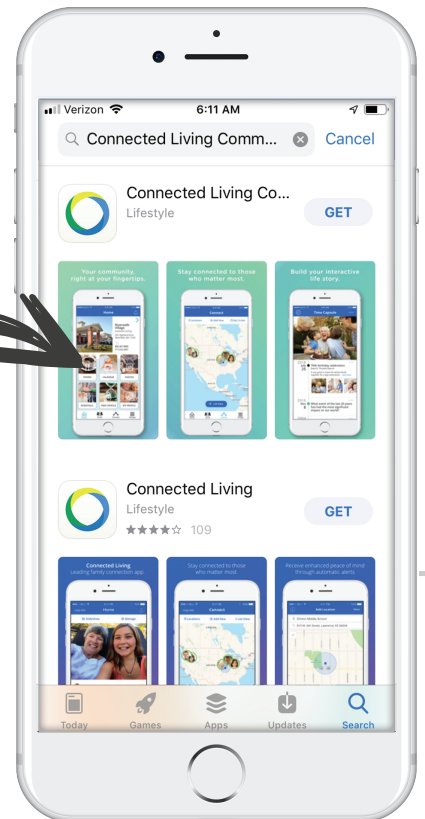

Download Today.

And Get Connected.

It's easy to download and get connected with Connected Living's newest mobile app designed specifically for seniors, **Connected Living Community**.

To download simply:

1. Open App Store
2. Search for "Connected Living Community"
3. Touch "Get" to Download and Install
4. Once downloaded you will be prompted to "Sign Up" and register your account

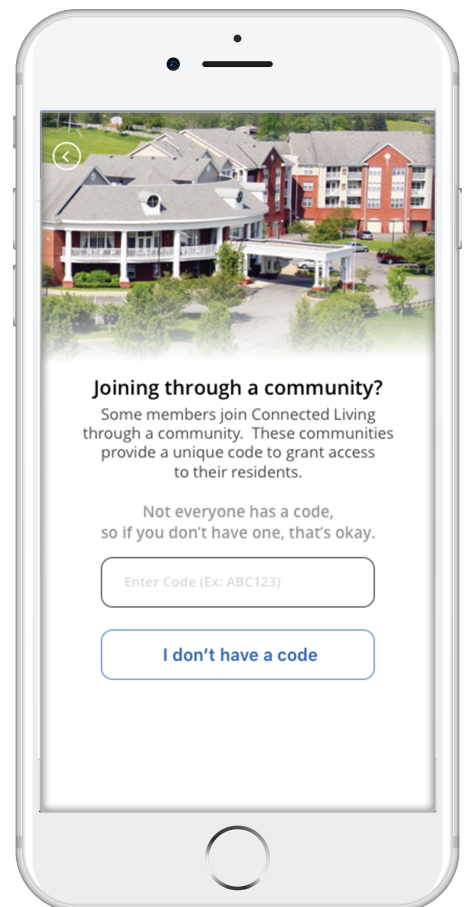

get connected:

Once you have downloaded and installed the Connected Living Community app, you will create a user account.

During the onboarding process you will be asked to enter a unique code to connect you with your community. Simply enter the code(s) provided to you to unlock access to all community information.

As you connect with your family and friends, they can sign up using their own email address. To get started creating connections, connect with the Connected Living team including Sarah Hoit, CEO and Shannon Foley, Engagement Manager by adding their email addresses:

shoit@connectedliving.com
and
sfoley@connectedliving.com

It's Personal.
